JOINT BOARD OF FINANCE.

MERIDIAN, MISS., Dec. 15, 1894.

To the Bishop and Members of the Mississippi Conference, Methodist Episcopal Church, South:

DEAR FATHERS AND BRETHREN:—The Joint Board of Finance, respectfully submit to you the following as their report for the year just closing, together with suggestions for the coming year:

The Board is still of the opinion that the plan of Quarterly payments is the most desirable. The claimants are almost without exception better satisfied, and desire its continuance, and though we were unable to make the third Quarterly payment, the same plan has been adopted for the coming year.

If the Board can secure the co-operation of the preachers, and a united action upon their part, we will be able to carry out the proposed plan. We further recommend the observance of Veterans day, and appoint the 1st Sunday in March as that day. The Sunday or Sundays following to be used on Circuits where one Sabbath will not suffice.

In order that there may be a uniform observance of the day, the Board will prepare a programme and furnish it to our preachers and their congregations. It is hoped that the information furnished therein may be used, and that the Conference Claimant's Collection may be taken on its merits, separate and distinct from all others. If this be done, your Board is confident that there will be no deficiency, or lack of means to meet the obligations that are placed upon us. We again recommend that the District Stewards be called together at an early day so that the apportionments may be made in good time. The failure to make them need not be a bar to the collection.

We have made the following apportionments for our claimants for the year 1895, payments to be made April 1st, July 1st and October 1st, with a final settlement at Conference:

The assessments for the Conference Claimants for the year 1895, is \$6,000.00 divided among the various Districts as follows:

Districts.	Assts.	Districts.	Assts.
1 Natchez.....	\$800 00	5 Brandon.....	\$660 00

3 Jackson.....	850 00	7 Meridian.....	720 00
4 Brookhaven.....	850 00	8 Sea Shore.....	660 00

* The amounts for Bishops for the year 1895, is \$1,500.00, divided among the various Districts, as follows:

1 Natchez.....	\$200 00	5 Brandon.....	\$165 00
2 Vicksburg.....	200 00	6 Sea Shore.....	165 00
3 Jackson.....	225 00	7 Enterprise.....	165 00
4 Brookhaven.....	200 00	8 Meridian.....	180 00

We report the collection for Bishops by Districts, as follows:

	Assessed.	Paid.	Excess.	Deficit.
Jackson District.....	\$ 260 00	\$ 262 50	\$ 2 50	\$.....
Vicksburg District.....	260 00	260 00
Brookhaven District.....	250 00	250 00
Meridian District.....	260 00	222 72	37 28
Sea Shore District.....	155 00	144 00	11 00
Woodville District.....	155 00	155 00
Brandon District.....	155 00	157 75	2 75
	<u>\$1,495 00</u>	<u>\$1,451 97</u>	<u>\$ 5 25</u>	<u>\$ 48 28</u>

There is a deficit of \$33.03 on the whole amount. This is not quite so large as the deficit of last year.

For Conference Claimants, the amount assessed for this year was \$5,000.00 divided and collected as below:

Districts.	Assessed.	Paid.	Excess.	Deficit.
Jackson.....	\$ 850 00	\$ 629 25	\$220 75
Meridian.....	850 00	642 55	207 45
Vicksburg.....	850 00	681 10	168 90
Brookhaven.....	800 00	632 00	168 00
Woodville.....	600 00	568 50	31 50
Sea Shore.....	550 00	466 80	83 20
Brandon.....	500 00	382 90	117 10
		<u>\$4,003 10</u>		<u>\$996 90</u>

We find in the collection a deficit of \$996.90. The Woodville District came nearest paying it in full.

The failure to bring up this collection has caused the Board to be unable to pay the claimants the amount promised them.

This is to be regretted. We have been able heretofore to more than do this. Many homes will be made sorrowful by our failure.

The deficit on the payment is 7 per cent.

Referring to the collection for Conference Claimants, your Board regret to report a falling off of receipts from all sources. There are some preachers who have never failed to report this collection as "paid in full," while others do not seem to appreciate the needs of those for whom it is intended. We are of the opinion that there is no charge within the bounds of our Conference where

if the cause is properly presented that will not respond gladly to it. While your Board very much dislike to complain, we cannot think a minister wholly without blame who fails to report this collection as paid.

We are without any help from the Publishing house this year, beyond the interest from the Calvin Fund. Last year we received from them \$690.00. We have no report from them, and are without any official notification as to the reason therefor.

We report to the credit of the Conference Fund, as follows :

Received from regular collections.....	\$3,968 10
Received interest from Calvin Fund	27 00
Received interest from General Endowment Fund	173 10
Received special contribution from Sea Shore District.....	25 00
Received special contributions from Woodville District	10 00

MEMORIAL SERVICE.

MERIDIAN, MISS., Dec. 16, 1894.

The Conference met at 7 P.M. J. M. Weems in the Chair by appointment of the Bishop.

The Religious Service was conducted by J. M. Weems.

The Nineteenth Question was called. "What Preachers have died during the past year?" George T. Vickers.

R. B. Downer read the following which was adopted as the

MEMOIR OF REV. GEORGE T. VICKERS.

Rev. George T. Vickers, was born in Sudlersville, Queen Anne County, Maryland, July 12th, 1821, and died at Covington, La., November 22d, 4 A.M., 1894, after a brief illness of some seven days.

At the time of his death he was upon the superannuated list and headed the Conference roll, as the oldest member in unbroken connection. Brother Vickers was converted in Exeter street Methodist Episcopal Church, Baltimore, Md., January 1840. Shortly afterwards, he "started West," as it was then called, thinking to go to the State of Tennessee, but landed in Mississippi, and engaged in the avocation of school teacher.

November 1846, while living on what was called Cole's Creek Circuit, Rev. Benjamin M. Drake being presiding elder, he was licensed to preach; and in December of the same year, at Natchez, Miss., he entered the Mississippi Conference on trial.

The early records of the Mississippi Conference having been destroyed by fire, I have not been able to note the different charges he served during his active ministry. He was ordained deacon by Bishop Paine, at Vicksburg, 1848, and ordained elder by Bishop Capers, 1850. After an active ministry, till about the year 1862 or 3, on account of impaired health, he was placed upon the supernumerary list. He then located himself at Covington, St. Tammany Parish, La., where he has resided ever since. While supernumerary, he supplied Covington Circuit several times, and when not officially engaged by the presiding elder, he kept up wayside appointments, in obscure neighborhoods, as long as he was able to get about safely to his health. For several years past he has been upon the superannuated roll, though, never a beneficiary to any great extent, he having accumulated sufficient means to provide for his own maintenance.

Of classical education, he had the ability to grace a metropolitan pulpit, yet, he shrank from notoriety, and confined himself for the past thirty-five years to St. Tammany Parish, La. He was a Bible student, and ardently devoted to church history. He was an able defender of Methodist doctrines, and firmly believed that Methodism was the handiwork of God; as his ingeniously written book, "Methodism in Prophecy," attests.

He was of poetical turn of mind, and the effusions from his pen will bear criticism. He loved to preach the Gospel as well as sing it, for he felt that the glad news had done great things for him.

Brother Vickers was a pious man and of religious habits. His reverence for God and holy things, was profound. Conscientious to an extreme degree, his standard of righteousness was very exalted.

Feeling that the use of tobacco was sinful, he resolved before the Lord, to quit it, but having so long been a victim to the tobacco habit, in an evil hour he broke his vow, and ever after, felt that while God forgave him, still, he was kept in the outer court, not permitted to see the King's face. This troubled him to the end of life.

Brother Vickers was a lover of the poor, as many a widow and orphan in St. Tammany Parish can testify. The last article from his pen was, "The Claims of Charity," and published in the local paper, with the editorial notice of his death.

Brother Vickers never married. Seventy-three years of pilgrimage did not take the boy out of his heart. He loved the children, and the children loved him. He was the Superintendent of Covington Sunday School, and the last public address of his ministry, was a talk to the Sunday School, the Sunday prior to his attack of illness.

His health had been precarious for some time, and about November 15th, he became quite weak, with slight fever. Having during 1891, and '93, made the acquaintance of Rev. H. W. Wallace, Brother Vickers expressed a desire to have him sent for, which was done. We were both with him during the last days of his life daily, ministering spiritual consolation. He said he was trusting solely in the Lord, and committed himself fully into His hands. November 22d he peacefully passed into rest. That he loved the church, is manifest

in the last will and testament, wherein he bequeaths jointly to the General Board of Missions, M. E. Church South, and the Conference Fund of the Mississippi Conference, for the benefit of superannuated ministers, widows and orphans, whatever is realized from the sale of his town property, after all debts are paid.

We buried him from the Methodist Church at Covington, Brother Wallace preaching the sermon. The building was crowded by saint and sinner, anxious to pay some tribute to his memory. The Sunday School children in a body followed him to the grave and embowered it with flowers. Everybody felt that a man of God had been called from labor unto rest.

ROBERT B. DOWNER,
For the Committee.

Remarks in memory of the deceased were made by C. McDonald, N. B. Young, H. W. Wallace, T. W. Brown and J. M. Weems.

The Sacrament of the Lord's Supper was administered and the memorial session was adjourned with the benediction by C. G. Andrews, at the request of President Weems.

A. F. Watkins read the following, which was adopted as the report on Orphans Home:

REPORT OF THE ORPHANS' HOME COMMITTEE.

Your Committee appointed to consider the need and practicability of establishing an Orphans Home under the auspices of our Church in this State, beg leave to report as follows:

First.—We are convinced of the necessity of our making some systematic provision for the care of the helpless children who have a right to look to us for help, and believe that the establishment of a home, where they may be cared for until more permanent provision can be made for them, is the most practicable method that can be adopted.

Secondly.—We note with pleasure the presence of Rev. J. A. Bowen, of Macon, Miss., who comes to us as one of three Commissioners from the North Mississippi Conference, appointed to confer with a similar commission from this Conference in regard to the establishment of an Orphans' Home in this State under the auspices of the Mississippi and North Mississippi Conferences, and respectfully recommend that the following action be taken by this Conference, to-wit:

That a Commission to consist of two Preachers and one layman, be appointed to confer with a similar Commission from the North Mississippi Conference upon this matter, and further, that each presiding elder of the Conference be requested to select a man in his District, who will undertake to visit the various appointments of the District and promote the interests of this cause, and that we request the North Mississippi Conference Commission to do all in their power to secure the same action upon the part of the presiding

Elders of the North Mississippi Conference; that the Commission whose appointment is herein suggested shall report to the next Session of this Conference.

Respectfully,

W. A. GUNNING, Chairman.

A. F. WATKINS, Secretary.

In accordance with the above recommendation, the following Commission was appointed, viz : R. J. Jones, A. F. Watkins, W. A. Gunning.

N. B. Harmon read the following, which was adopted as

THE REPORT OF BOARD OF CHURCH EXTENSION.

We regret to announce a serious deficit in the collections of the past year for the cause of Church Extension. The assessment on the Mississippi Conference was \$2,820.00, while the receipts from all sources have amounted to \$1,584.15, giving a deficit of \$1,235.85. As compared with last year, there is a deficit of \$192.45.

We trust this is due to no lack of interest in the cause of Church Extension. We believe it is not; for ministry and laity have awakened to the fact, that this cause is second to none other, in our great connection.

We attribute the largeness of the deficit solely to the financial depression which has reigned over our entire country.

We would respectfully call attention to the fact, that, since the Conference discountenanced public collections during our annual sessions, the Board has been cut off from a hundred dollars, or more, each year, which otherwise would have gone to help needy Churches.

The collections from the several Districts are as follows:

	ASSESSED.	PAID.
Jackson	\$ 475 00	\$ 211 60
Vicksburg	475 00	290 00
Meridian	475 00	272 30

Sea Shore	350 00	221 70
Woodville	330 00	170 00
Brandon	240 00	125 35
Total	\$2,820 00	\$1,584 15

There were fifteen applications asking for \$1,800.00, while the Board had \$792.07½, with which to meet these urgent requests. Eight of these applications were granted donations, while five were conditionally aided.

The Churches receiving help are as follows:

Scranton, Jackson county	\$150 00
Summit, Pike county	100 00
Long Beach, Harrison county	75 00
Raleigh, Smith county	40 00
Union, Wilkinson county	40 00

Amount due printing last year's Minutes	7 80
Amount due printing Minutes this year	42 56
Expense account.....	5 00

Total disbursements.....\$785 36

Balance in Treasury.....\$ 6 70½

The application from the Wesson Church was before the Board, but could not be acted upon, as they had not secured a lot nor fixed the site of the building. The Church they contemplate building is a move in the right direction, and we recommend that liberal aid be granted when the site of the church is located and the lot secured by warranty deed to the M. E. Church, South.

In February of the present year, at the request of the Secretary of the General Board of Church Extension, your Secretary compiled a list of all the churches aided within the bounds of the Mississippi Conference since the organization of the Board in 1882.

That you may realize the extent and importance of our work, at the suggestion of Dr. Morton we reproduce the list in our annual minutes.

THE WOMAN'S PARSONAGE AND HOME MISSION SOCIETY.

We report progress in this department. They held their First Annual Meeting at Ellisville, during the session of the Sea Shore District Conference of this year. The collections from all sources for this purpose during the year amounted to \$243.63.

Two parsonages were aided, viz: Montrose \$50, Coffadalia \$50.

The election of officers for the ensuing year, resulted as follows: President, Mrs. I. N. Chatfield; First Vice-President, Mrs. Janie Klein; Second Vice-President, Mrs. R. J. Turner; Corresponding Secretary, Mrs. Clara H. Cope; Recording Secretary, Mrs. B. F. Lewis; Treasurer, Mrs. T. B. Holloman.

In regard to this important work, the Board would urgently recommend to the Pastors of the various charges, to organize their local aid Societies into Auxiliaries of the Parsonage and Home Mission Society, and thus make them connectional.

2. State whether you want a blank application for aid on the Conference Board or the General Board. These blanks are not the same nor can you change them so as to make one suit the purpose of the other.
3. Answer every question. Do not think that some are unimportant. The Board would not ask the question if it were not important. Do not mend the blank but fill it.

The Secretary of the Board of Church Extension will furnish blank applications for aid both on the Conference Society and Parent Society.

Fill out the blanks and send them to Mrs. S. S. Cope, Secretary of the Conference Society, Paulding, Miss.

THE REPORT OF THE COMMITTEE ON PUBLISHING INTERESTS.

The communication of the Book Agents, referred to your Committee, informs us that, notwithstanding the general financial depression, our Publishing House is in a prosperous condition, doing a business of more than a quarter of a million of dollars per year. We are gratified to learn this, and also, that our agents have issued during the past year, eight new books and two new editions of old ones. We urge all of our preachers and people to be loyal to our Publishing House; for it is our own, and its possibilities for good to the cause of Christ are very large.

We are gratified to learn of an increase in the circulation of our Review, which has been changed from a *quarterly* to a *bi-monthly*. We mark with pleasure the improvement manifest under the editorship of Dr. Tigert. We heartily commend the Review to our preachers and thoughtful laymen. No young preacher is faithful to himself who fails to read this Review.

The Nashville Christian Advocate, ably edited by Drs. Hoss and Boswell, is our central organ, and deserves our support both because of its relation to the Church and of its superior merit. We commend its elegant mechanical finish, as well as its editorial management. Every official member of our Church should be a subscriber of this great connectional organ of our Church.

The Epworth Era, organ of the Epworth Leagues, has its mission, which is a very important one, and is filling that mission. It is yet very young, but we expect great things of it. We urge our young people everywhere to take and read the Era; and we trust that the preachers will secure subscriptions to it.

Our own Conference Organ, the New Orleans Christian Advocate, under editorship and management of our Brother Rev. W. C. Black, D. D., demands and deserves our heartiest commendation and support. We are happy to be able to say that the Advocate is one of the best family papers published. We believe that our Methodism would be wonderfully advanced in Mississippi if this Advocate could be put into the homes of all our people; for we cannot imagine a true intelligent Methodism possible without the information concerning the Church which we get only from such Conference Organs as the New Orleans Christian Advocate.

We note with pleasure, considerable improvement in our various Sunday School publications; and commend the efforts in that direction of our new Sunday School Editor, Rev. W. D. Kirkland, D. D.

We commend the Review of Missions as one of the best periodicals of its kind now printed anywhere. If it were generally circulated, the conscience of our Church on this most important matter would be very greatly aroused.

We present for your adoption, the following:

Resolved, That we pledge ourselves to co-operate heartily with our Conference Colporter in getting the books of our Publishing House into the hands of all of our people.

Resolved, That we will earnestly endeavor to put the New Orleans Christian Advocate into every Methodist home within our Conference; and that we will do all we can to prevent the Advocate being crowded out by certain other papers published at a distance, which, by adopting certain racy methods more diverting than commendable, or by stressing some controverted dogma, seek patronage from a wider area, and can therefore afford to ask lower rates.

Resolved, That the presiding Bishop be requested to reappoint Rev. W. C. Black, D. D., as Editor and Publisher of the New Orleans Christian Advocate; and that Revs. W. B. Lewis, R. J. Jones and R. W. Bailey be elected Publishing Committee for the same.

B. S. RAYNER, Chairman.

H. WALTER FEATHERSTUN, Secretary.

Dr. Tigert addressed the Conference in behalf of the Quarterly Review, and Dr. Black on the New Orleans Christian Advocate.

REPORT OF THE BOARD OF EDUCATION.

The Board of Education makes the following exhibit of the several institutions of learning under our control, from reports submitted to them, viz:

MILLSAPS COLLEGE.

Is enjoying a very high degree of prosperity. More than two hundred students have been enrolled to date of the present session, "and the pupils are entitled to the highest commendation for their diligence in study and admirable deportment." The students have also shown "remarkable religious activity." "The Y. M. C. A., maintains a thorough organization and is powerfully influential in moulding the dominant sentiment of the student body."

There is on hand an endowment fund of \$107,000.00, invested in good interest bearing securities. The Treasurer, Major R. W. Millsaps, is exceedingly careful and painstaking in the management of all the finances of the College.

The Financial Agent, Dr. I. W. Cooper, has been diligent and faithful in presenting the claims of the College, and has raised in cash and subscriptions, \$4,000.00, of which \$800.00 have been expended in building a Memorial Cottage for use of the students, in honor of the late Rev. John A. Ellis, of the Mississippi Conference.

Major Millsaps has also built a cottage costing \$625.00. Both these cottages greatly increase the boarding facilities of the College.

Mr. J. R. Bingham has made a gift of \$500.00 for equipping the scientific department.

Major Peter James pays the entire expenses of boarding and tuition for one student during the present session. A layman of the Vicksburg District also pays the expenses of one student.

The proposition of Major Millsaps to duplicate all gifts to the College up to \$25,000.00 still stands open, and furnishes an eloquent appeal to all lovers of Christian Education.

The increased patronage calls for enlarged accommodations.

There are now in attendance, sixty young men preparing for the ministry and sons of ministers. Neither of these classes has to pay any tuition. Hence the Conference is urgently asked to increase the collections for Education.

WHITWORTH FEMALE COLLEGE.

Of this institution we quote from the report of the President of the Board of Trustees, which was read to the Conference, viz: "When President Fitzhugh surrendered his lease and retired, the Trustees found themselves in a very embarrassing position. No rent of any kind had been paid by the outgoing President; the buildings were not in a proper condition of repair, and there was no school furniture to which we could lay claim.

"The College had lost somewhat of its ancient prestige, and much was required to be done to bring it to favorable notice. In the exigency, our worthy brother, John W. Chambers kindly consented to throw himself in the breach and accept the Presidency of the College. We hazard nothing in saying that the mantle of the lamented Johnson has fallen on worthy shoulders. With unexampled energy, untiring zeal, intelligent labor, painstaking care, and the expenditure of all his available means he has wrought marvelous changes."

All the instructors employed in the institution are faithful, capable and enthusiastic.

"Brother Chambers is entitled to the thanks and substantial gratitude and patronage of the entire Church. If he be but seconded and sustained, as he deserves, Whitworth College will in a short time become the Female University of the State."

This Board heartily commends the scheme for raising the Johnson Endowment Fund. It will be a deserved and proper tribute to the beneficence and consecrated labor of Dr. H. F. Johnson, and it will be at the same time a means of bringing the education of young women within the reach of even the poorest classes. This Board bids President Chambers God-speed in this enterprise, and does hereby give him hearty endorsement, as he presents his plan to all who desire to bestow their gifts upon a most worthy object.

We recommend that J. W. Chambers be appointed President of the College.

EAST MISSISSIPPI FEMALE COLLEGE.

This institution "is in the midst of a very prosperous session." Up to date there has been a matriculation of 104 pupils. All of the departments are kept up. The Faculty consists of eight members, all of whom are thoroughly competent and experienced teachers. The property is valued at \$25,000, and is insured. Much improvement has been made on the buildings and grounds at a cost of \$500.

The debt which hangs over the property greatly militates against the success of the Institution. This Board unites most heartily with the Board of Trustees in trusting that some plan of relief may be discovered in the near future.

We recommend that Rev. T. B. Holloman be re-appointed President.

EDWARD MCGEEHIE COLLEGE FOR GIRLS.

The last term closed well, with seventy-one pupils and six graduates. Dr. H. W. Featherstun resigned the presidency and Prof. J. A. Monroe, A. M., of Trinity College, N. C., was elected. The attendance of students is constantly increasing and the teachers employed are competent and sufficient for the work. We commend this college to the favorable consideration and patronage of our people.

PORT GIBSON FEMALE COLLEGE.

From a report of the President of the Board of Trustees we learn that under the presidency of W. H. Huntley, this college still has a fair degree of prosperity, and that it still offers a good school home and thorough instruction to the daughters of our people.

CENTENARY COLLEGE OF LOUISIANA.

This venerable Institution has passed out of the bounds of our Conference by the action of the last General Conference. In surrendering our official supervision, it is but becoming that we put upon record our sincere sorrow that we have not done more in the past to sustain and develop this Institution, which perhaps, more than any other one in the Methodist connection is entitled to be enshrined in the affection and esteem of our people on account of the money, and the labors, and the prayers, and the faith bestowed upon it by our fathers. We hereby give over to the brethren of the Louisiana Conference all our right, title and interest in Centenary College, fervently praying and confidently believing that they will do more to make our beloved old College a grand success, now that they have it under their own control, than we both did while the responsibility was divided.

PAINE AND LANE INSTITUTES.

These Institutions for the education of the colored people are entitled to our faithful help. We are glad to note that they are succeeding well, and recommend that the sum of \$500.00, assessed to our Conference by the authorities, be pro rated among the pastoral charges and collected.

GENERAL BOARD OF EDUCATION.

This Board acknowledges the good done by the visit and address of Dr. Smith, the Secretary of the General Board of Education, and recommend that the plans submitted by him be adopted. They are as follows, viz :

REPORT NO. 2 OF THE BOARD OF EDUCATION.

"The action of the last General Conference in constituting a Board of Education of the Methodist Episcopal Church, South, and the election of a Secretary of Education, we regard as eminently wise. In order to complete the organization in our own Conference and to facilitate the work in behalf of this important interest of the Church, your Board recommends the adoption of the following:

"1. This Conference shall elect a Conference Secretary of Education, to serve without salary, to whom the several District Boards of Education, here-

inafter provided for, shall report immediately upon their organization. It shall be the duty of the Conference Secretary of Education to see that the District Boards be furnished with catalogues of all our institutions and with all information necessary to the prosecution of the work of the District Boards, and to keep a roster of teachers desiring situations, and to put them in correspondence with the Boards applying for teachers.

"2. This Conference shall also elect a Conference Treasurer of Education, to whom all moneys belonging to the Conference Board of Education shall be paid and who shall pay out of the said funds the expenses of the Secretary of the Board for stationery, printing, etc., and the traveling expenses of members of the District Boards when in the discharge of their duties as members of the Board, and shall present an itemized statement of all moneys received and disbursed by him to the Annual Conference Board of Education, with vouchers therefor.

II. DISTRICT BOARDS OF EDUCATION.

"Every District Conference shall elect, for a term of two years, four laymen, and the Presiding Elder shall appoint three Preachers from his District, as a District Board of Education. The Presiding Elder, shall be ex-officio a member of the Board, and he shall have power to fill any vacancies occurring in the Board, in the interim of District Conferences. He shall call a meeting of the Board for his District in the month of April, which shall effect its own organization and report the same to the Conference Secretary of Education; and lay such plans for their work in the District as in their judgment are advisable. The four laymen upon this Board shall be ex-officio members of the District Conference. It shall be the duty of the District Boards of Education:

1. "To secure through the Local Boards of Education, hereinafter provided for, such facts concerning the number of children and young people of our own Church of school age and the facilities for education within their bounds as shall enable the Church to know the needs of our people; to secure from the Secretary the names of such teachers as desire situations, and to do all in their power to supply the local needs within the bounds of their several Districts; to procure the names and addresses of such young people as may be induced to attend our Academies and Colleges, and to report them to the Faculties; personally to aid the agents of our schools in whatever way possible when canvassing within their bounds; and to report in writing to the District Conference the work of the Board for the year, together with the statistics before mentioned.

2. "No student for our ministry shall be admitted to our Academies or College as a beneficiary student, who has not been recommended to the District Board by the Local Board of the charge in which he holds his membership, and by the District Board to the Faculty of the institution which he proposes to enter. When such application is made and approved, the District Board shall diligently enquire what amount of aid is absolutely necessary for such applicant, to meet expenses other than tuition, and shall inform the Local Boards of the amounts expected of them; and the Local Boards shall raise the amounts in such way as they shall deem best; and the said amounts, when raised, shall be forwarded to the Treasurer of the Conference Board of Education with information for whom it is to be used.

3. "No school shall be recommended to the patronage of our people by the District Conferences that has not secured the approval of the District Board of Education.

III. LOCAL BOARDS.

"In each pastoral charge there shall be a Local Board of Education, consisting of three members, to be elected by the Quarterly Conference upon nomination of the preacher in charge. It shall be the duty of the Local Boards:

1. "To co-operate with the pastor and Sunday-School Superintendent in arranging and executing a programme for Children's Day.

2. "To secure, as far as possible, the statistics called for by the District Board of Education.

3. "To aid the representatives of our educational institutions in the canvass of the charge.

4. "To recommend to the District Board of Education such persons as they approve as beneficiary candidates for the ministry, and to raise the amount laid upon the charge by the District Board.

5. "To report in writing to the District Board of Education the statistics gathered by them of the educational work within the pastoral charges, together with the number of students attending our institutions of learning from their charges.

"In order to carry this organization into effect at once, we recommend that the Presiding Elders be requested now to name four laymen in each of their several Districts to be elected by this Conference, to act until the meeting of the District Conference, and that the Presiding Elders to be appointed add to these, immediately after the appointments are made, the clerical members necessary to complete the Board."

This Board would recommend most heartily to all our people the "Ministerial Educational Association," which is doing a much needed work in affording aid to those young men preparing for the ministry, who are not able to furnish the necessary means. We think that money invested in this way will pay the largest and most enduring revenue to the Church.

There has come into our hands from the collection for education from the pastorates the sum of \$1,056.07.

The last Conference resolved to divide the amount for education between Millsaps and Centenary Colleges, according to the attendance of minister's sons and young men preparing for the ministry from this Conference. According to the report of the respective Presidents we apportion to Millsaps College, \$585.50; to Centenary College, \$172.55. This leaves for Paine & Lane Institutes the sum of \$251.60 and for publishing Minutes, \$46.42.

We recommend that \$1772.00 be assessed to the Pastoral charges upon the basis of the assessment for Bishops; \$1,000.00 for Millsaps College; \$500.00 to Paine and Lane Institutes and \$272.00 for the General Board.

We recommend that W. A. Gunning be appointed to look after the collections on Children's Day, and that A. F. Watkins be appointed to prepare statistics of Education according to the request of the General Board.

We request through the Conference, that the Preacher in charge of each pastorate where a Female College is located, be instructed to look carefully into the title of the College, and report to the session of the next Conference.

We offer the following, viz:

Resolved 1. That we will continue to devote ourselves to the sustenance and patronage of our Institutions.

Resolved 2. That we will heartily co-operate with the General Board of Education, in their plans submitted to the Churches.

C. G. ANDREWS, Chairman.

Dr. W. B. Murrah addressed the Conference in the interest of Millsaps College. Dr. Hunnicutt, for Centenary College. President Chambers, in behalf of Whitworth Female College, and President Holloman in behalf of East Mississippi Female College, and P. A. Johnston, in behalf of Edward McGehee College for girls.

THE REPORT OF BOARD OF COLPORTAGE.

To the Bishop and Members of the Mississippi Annual Conference :

Your Colportage Board report that our general Colporter, Bro. W. D. Dominick, has traveled very generally through the bounds of our Conference and met with gratifying success. Notwithstanding the depressed financial condition of the country the volume of business has not decreased.

We recommend the appointment of Rev. W. D. Dominick as General Colporter for the ensuing Conference year.

We ask that this Annual Conference require the General Colporter to furnish the President of this Board, within the next thirty days, a true balance sheet, showing the condition of the depository. We are entitled to this under paragraphs 399 and 400 of the Book of Discipline.

REPORT OF COMMITTEE ON EPWORTH LEAGUES.

To the Mississippi Annual Conference:

BRETHREN:—Your Committee on Epworth Leagues, report as follows:

We esteem the Epworth League, the very best means of accomplishing certain results. Its work is much needed. Our young people should be thoroughly trained in the knowledge of the Scriptures in the Sunday School; but additional training in applied Christianity, which prepares them for active work for Jesus in public testimony and prayer, is indispensable; and this training is best furnished through the Epworth League. Its promotion means the revival among our young people of the best elements of the class-meeting. It likewise supplements the work of the Sunday School in teaching our young people the essential doctrines and usages of Methodism.

The League does not receive the favorable consideration it deserves. Very few of our pastoral charges have organized Leagues; and of the few organized, a large percentage are not doing satisfactory work. Information as to methods, and stimulus to invigorate the League idea are very much needed.

A communication has been referred to your Committee from the General Secretary, in which he expresses regret for certain unfortunate utterances in the Epworth Era, and gives abundant assurance that hereafter the paper will keep close to its proper work.

We commend the disclaimer of Dr. Steel; we have full confidence, based upon this assurance, in the future management of the paper; and we recommend the circulation of the Era as extensively as possible throughout our Conference, as an efficient means of disseminating information and activity in League organization.

The work of extending the interests of the League can be promoted by constituting an Epworth League Board of the Mississippi Conference. We accordingly offer the following resolution:

Resolved, That an Epworth League Board be constituted by this Conference, to be elected quadrennially on nomination of the Presiding Elders, and to consist of one member from each Presiding Elder's District. This Board to have general charge of the League work within our bounds.

W. M. Stevens read the following, which was amended, and adopted as

REPORT OF COMMITTEE ON TEMPERANCE.

To the Bishop and Members of the Mississippi Conference :

Your Committee on Temperance would respectfully submit the following report :

DEAR FATHERS AND BRETHREN :—We rejoice in the fact that our beloved Church is pre-eminently a temperance Church. We glory in her past history. She has uttered no uncertain sound on this subject. Her watchword has ever been Onward ! She has through the devotion of her preachers and their steady and steadfast loyalty to the cause of temperance aroused the conscience of the people, developed a wide-spread and lasting interest, and kindled an inspiring enthusiasm which is rapidly suppressing the liquor traffic, and thereby causing “the desert to rejoice and blossom as a rose.”

Let due honor and praise be given also to our consecrated laymen, who have stood shoulder to shoulder with us, and proven an important factor in the removal of this great evil from our midst.

The policy inaugurated and pursued in our State has proven a wise one. And we now note, with great gratitude to God, that through “local option,” the grand old State of Mississippi has been almost entirely freed from that great curse—which is a reproach to any people—the open saloon. We have much to be thankful for. There are now but ten or eleven counties in the State where spirituous liquors are sold.

It is a significant fact to us, however, that six of these counties are embraced within the bounds of the Mississippi Conference. We trust this state of things will not long obtain. Let the preachers who are sent to wet counties determine, by the help of God, to banish the liquor traffic from those counties, at the earliest possible date. And we do hereby pledge our hearty co-operation and prayers for the accomplishment of this great and glorious purpose.

We would gladly call special attention to that part of the legislation, by our recent General Conference, on this subject, making it an offense against the law of our Church, to sign whisky petitions or to rent a house for the sale of it. This was an advance by the Church in the right direction. For we think the Church should thoroughly purge herself of all apparent complicity in the nefarious business.

We offer the following :

Resolved, That we will use for sacramental purposes, the pure juice of the grape, whenever practicable.

REPORT ON SABBATH OBSERVANCE.

To the Bishop and Members of the Mississippi Conference :

DEAR FATHERS AND BRETHREN :—Your Committee re-affirms the assertions of last year's report on this subject. We are pleased to note a marked improvement in some quarters, especially among the members of our own Church, in the faithful observance of this day ; but we regret to say that there is yet a wide-spread desecration, and much to be done, before our people will properly appreciate their duty to this holy day.

We would emphasize the truth that the faithful keeping of the Sabbath is the only hope of the Church, yea, and of the State, also ; for to the extent to which this day is desecrated, morality ceases and christianity loses hold upon the people. We must, therefore, be wide awake as Christians, and steer clear of the dangers that threaten us here.

We would condemn the almost universal practice of social visiting, receiving the mail, traveling on trains and otherwise, etc., on the Sabbath.

We earnestly request our Ministers to preach upon this subject, and, by

example and precept, to teach the people the necessity for the faithful observance of the Sabbath day.

We would urgently recommend the opening of our conference sessions on such a day that every preacher in our bounds can reach its place of meeting on the day of opening without the necessity to travel on the Sabbath.

We have carefully examined the communication of Bros. T. L. Mellen and M. L. Burton, members of the Mississippi State Sabbath Association, and we heartily commend the objects of the organization of this Association, and endorse the purpose to form auxiliaries thereto in the counties and municipalities of our State.

REPORT ON STATE OF THE CHURCH.

BRETHREN:—Your Committee on the Spiritual State of the Church submits its report as follows:

Reports from the several charges indicate a year of wonderful revival power. Nearly every charge has been blessed, and many conversions are reported. Financial stringency has had its compensation in great spiritual prosperity. We thank God for these great blessings.

The work of transcendent importance before us is the edification of believers. The pastor's work ranks that of the evangelist. Our people need to be led into fuller knowledge of the grace of Jesus Christ, and into profounder conception of their obligation to love and service.

We recommend the use of the tried and approved means of grace peculiar to our Methodism, in addition to those common to all God's people. The class and prayer-meetings should be emphasized; and the Epworth League deserves much attention.

We recommend that our pastors mutually co-operate in revival work, and that as far as practicable we utilize our own resources, trusting in the presence and power of the Holy Spirit.

H. M. Ellis read the following, which was adopted, as the

REPORT OF SUNDAY SCHOOL BOARD.

To the Bishop and Members of the Mississippi Conference:

DEAR FATHERS AND BRETHREN:—The statistical showing of decrease in Sunday School work for 1894 is very probably due to the loss of the Louisiana territory from our Conference. There are 65 less schools, 214 less officers and teachers, and 428 less scholars, while the collection for literature has increased \$36.16, and that for missions has had \$116.47 added. This, under the circumstances, is no bad report.

Still forty-five of our preachers neglect to hold Children's Day services. We urge our preachers to see that the collections on Children's Day be applied as the law directs. The statistical records show a collection of \$544.63 on Children's Day while the Treasurer's book credits only \$432.38 to this fund, a difference of \$112.25.

There is now in the treasury \$379.30 of which \$42.56 must be paid for printing the Conference Minutes.

Our work for the past year has been the distribution of Bibles and libraries, as well as literature, and has met with general approval.

We would respectfully call the attention of our presiding elders and pastors to the law, and necessity for holding District Sunday School Conventions.

We would recommend the Sunday School lesson notes, edited by Dr. E. E. Hoss, to all who wish efficient help in the preparation of lessons.

We fear the proper interest in this great cause is wanting in many of us pastors and pray God to quicken our conscience and thought for large efforts and glorious success.

REPORT ON THE BIBLE CAUSE.

Your Committee to whom was referred the consideration of the Bible cause, beg leave to report the following:

In our own State are many persons who are without Bibles. Especially, is this true of the children of the colored people and Indian races. This should not be the case brethren, when we can get Bibles for nothing. Christ's cause will never prosper until we make Bible readers of our people. There is an urgent call now from Mississippi for Testaments in the Choctaw language, and the supply is exhausted.

The American Bible Society has undertaken the work of placing a copy of the Bible with every Sunday School scholar in the land, and it asks all who feel an interest in this cause to help them in this great work. The Bible is translated into three hundred languages, and should be in the language of every people.

They have issued from the Bible House 1,039,960 volumes; in foreign lands, 407,699; total 1,447,659; of these 400,176 were Bibles; 559,120 New Testaments, and 487,628 portions of the Bible; including 75,194 copies sent from the Bible House. The aggregate circulation in foreign lands was 482,893 volumes, for the year 1894.

The American Bible Society is doing a great work in foreign lands, it is supplying the Missionaries with Bibles and Testaments free of charge, and has three hundred agents and colporters employed in these fields for the purpose of circulating the word of God among the people.

We would ask the Conference to appoint, as last, year, the month of October in which to present the claims of the American Bible Society and take the collection ordered by our Discipline for this cause. Brethren, urge this cause on all your works.

Respectfully,

JOHN A. GUICE, Chairman.

J. W. McLaurin, Superintendent of the American Bible Society for the District of Mississippi and Louisiana addressed the Conference.

J. P. Drake submitted the following, which was adopted as the

REPORT OF SECRETARY OF THE BOARD OF MISSIONS.

To an interested observer of current events, it seems that a crisis of Mission work is indeed imminent. Who can read the eloquent letters of our beloved Bishop Galloway without a mighty swelling and burning of the heart? His tour in the East is bringing home to our hearts more vividly than ever, the awful needs of Heathendom and the great opportunities that now face the Church of the living God. The message he sends us of apostolic labors by our van-guard, moves us to pray earnestly for their preservation, and the multiplication of their number. Decided progress in the Sunrise Kingdom with a mighty movement in great Cathay "animates us with new hope and courage. After years of toilsome sowing and patient waiting, we now begin to see the blade and stalk appear. The harvest is only waiting for the reapers to thrust in the sickle of truth." Such sentences as these should thrill our whole Church with eager desire "to go or send." Hear our Bishop: "The Chinaman can apprehend the Lord by faith as clearly as the American, and when he does so intelligently, rejoices just as gladly in his saving grace. And a solid Christian he makes—not as aggressive as an ardent Westerner, but stern in his fidelity to conviction, and loyal even to the endurance of persecution." Again: "Every day brings fresh evidence that the gates of the hearts as well as the cities of China are swinging open at the coming of the King of Kings." The present awful war itself may be used by a wonder-working God to bring His kingdom

to the hearts of these multiplied millions who have hitherto shut off the truth and shut out the light.

Now is our great and golden opportunity, our tremendous responsibility. What doth yet hinder us from going up and possessing these bright orient lands for Christ? Nothing that we can see but the *little* faith and the *mighty* covetousness of a Church which sleeps while her Master suffers, even as it was in Gethsemane. O for a trumpet voice to wake the sleepers! some key to unlock the coffers of the rich! some power to move the multitude to give "as they are able!" Our people are making gods of silver and gold just as truly as Israel of old. Covetousness, which has its root in that radical sin of human nature, selfishness, is eating out the heart of many a man's religion. Like the rat in the ancestral statue, spoken of by the Chinese sage of a hundred years, it cannot be "smoked out or drowned out," lest we "deface the Church or wash off its paint of respectability.

Dr. Pierson, the great advocate of Mission work, says we are in great danger of "collapse because of dry rot in the very floor timbers of our financial system." Three-fourths of the Church have never heeded the words of our Lord Jesus, when He said, "It is more blessed to give than to receive." We who represent His cause must lay it more closely on the conscience of our Church that unless they bring all the tithes into the storehouse of God they will be cursed with his wrath. They may feast and fatten for a time while robbing God of His due, but He will send leanness into their souls, and from them or their children will sweep away their cankered wealth with the breath of His nostrils. Oh! for Grace to give in ratio to our blessings! as some poor return for His infinite bounty!

Despite many discouragements from without, and even from some would-be friends, our Domestic work has gone forward with very encouraging success. Faithful men have toiled in these fields with little hire, but many souls as seals to their ministry. They deserve ten-fold more of temporal reward than they are likely to get. It is high time we should make advance movements in these whitening home-fields both of city and country.

Your Board would not knowingly show partiality to any. Where the need is greatest and the door widest open, we desire to place the funds entrusted to our care that they may yield the richest results for the amounts expended.

The Woman's Foreign Missionary Society within our bounds, continues its efficient methods of raising money, and quickening the conscience of the Church on this great question.

The education at East Mississippi Female College of a choice young lady, one of our own, for the foreign field, enlists their hearty interest, and increases their contributions by at least as much as this special work demands.

The totals raised during this year are

For Foreign Missions.....	\$5,823 00
For Domestic Missions.....	\$2,529 71
Besides special for Indians.....	180 00—\$2,709 71

There has been raised also, through the efforts of Brother T. Masao, Sister Lambuth and others, the sum of \$500.00, with several subscriptions for the Kobe Industrial School, Japan, yet unpaid. We ought to bring the amount up to \$1,000.00 before this Conference shall close, and thus build the house so needful. We urge our people to subscribe for our Missionary literature. It teems with facts of thrilling interest.

Brethren all, let us wake to our privilege in helping others to see the light.

OFFICERS OF NEW BOARD.
